

March 18, 2020

With COVID-19 on everyone's mind, we wanted to reach out and share our approach of operating business. Haliburton Timber Mart **IS OPEN FOR BUSINESS** and we are currently keeping our regular operating hours.

We have increased our cleaning routine and are working hard to keep our staff and customers safe.

We are happy to arrange delivery of any items needed if you would rather not visit our store.

Customers may phone in orders, which we can have ready for pick up. We are happy to bring these items to your vehicle.

If you have recently returned from out of country or, are not feeling well, we ask that you recognize the suggested quarantine period and either correspond with us by phone or email, or visit us at a later time.

During this challenging time, we are putting forth our best efforts to support our staff and customers as well as actively monitoring the global health situation.

We thank you for your ongoing support during this challenging time. Please feel free to reach out with any questions or concerns you may have.

Sincerely,

Greg Scheffee
